HOLY CROSS CHURCH

## Your Wedding

Information to help you plan your special  
day at Holy Cross Church

**Congratulations** on making a commitment to each other and wanting to be married in Church.

To be married in a Church of England Church there are certain legal requirements, you must:

Live in the Parish—see website for parish boundaries  
or

Have a Qualifying Connection with the Parish (ask Canon Ann)

If you meet either of these criteria you are ready to have your Banns read.

**Banns** are a legal requirement and mean that notice of your proposed marriage will be announced in church on three consecutive Sundays, not more than three months before the proposed marriage. This is to allow for any objections.

Where one of you lives in another parish, you must also have your Banns called in the Church of England Church, which serves the address where you live. This church will charge you separately for this. After your Banns have been called there for the third time, you will need to collect the certificate, which you then pass on to us – ideally at the wedding rehearsal.

If there are no objections your marriage can proceed.

### PLANNING YOUR SPECIAL DAY

**Date** Fix the date with Revd Ann before making other arrangements.

**For the Service** you will need to make decisions about what music you would like; flowers; colour scheme; orders of service; hymns and readings.

There is some help in this booklet.
